### Reimagine & Innovate Access to Government Services

Dear MUGABE,

Are you an aspiring software engineer/developer? Do you already possess knowledge in software development? Are you ready to be part of the community changing and reshaping service delivery through API?

Africa's talking is hosting a hackathon this **Saturday, June 22nd, 2024** and has invited the ALX community members to take up the challenge of how to reshape and innovate access to government services by the Rwandan community through their SMS and USSD API. We have 90 available spots for the event!

#### Why Attend?

- Streamlining service delivery processes
- Enhancing communication between government and citizens
- Developing scalable and accessible solutions for various government services
- Leveraging AI and data for efficient resource management
- Be part of the solution and build relationships with fellow innovators and problem solvers
- Win Exciting Prizes for First 3 best solutions

#### When to Attend?

**Date of Event:** Jun 22, 2024

**Event Name:** Africa's Talking Open Hackathon

**Time (CAT):** 8:00AM - 6:30PM

**Location:** ALX Kigali Nyarutarama Hub

**NB: Carry your Laptop and Lunch will be provided.**

Registration Close on **Thursday, June 20th, 2024**

**Book Your Seat!**

Don't miss out on this opportunity to apply your skills with a community of fellow innovators.

Best,

ALX Rwanda Learning Team
